VINIFIKATION

The old vines are responsible for an exceptional strength in extracts of the grapes.
The grapes are harvested by hand, maceration in stainless steel and great wooden
barrel. Yeast contact for approx. 8 months.
No fining, treatments or sterile filtration.

TASTING NOTES

Very complex, elegant, exotic fruits, mango, grapefruit, ripe pome-fruit, mineraly.
Because of the big wooden barrel, the wine gets a wonderful creamy texture.
It pairs great with food but can also stand on it's own.

FOOD PAIRING

Hefty meat dishes, creamy pasta, braised meat, hard cheese.
